October 14, 2021

Dear P.S. 108 Families,

I'd like to take this opportunity to THANK each of you for a successful first month of school at P.S.108. Each day we come to school with student success and safety at the forefront of everything we do and every decision we make. Our goal as a school community is to ensure that ALL students are receiving instruction and support that is tailored to their needs. One of the many programs we will be implementing is the AM ALLSTARS intervention and enrichment program which will be starting Monday, October 18th. This program is by invitation only and students who are selected will participate in a twelve week cycle. To help make this program run smoothly and safely and in anticipation of our school construction, **we are revising our morning arrival procedures.**

Effective Monday, October 18th:

The breakfast program begins at 7:20am for any students who would like to eat breakfast at school

*Students in the AM ALLSTARS program can enter the building beginning at 7:40AM. The AM ALLSTARS program begins promptly at 7:50AM.

*Students who are not in the program can enter the building beginning at 8:05AM. The school day begins at 8:20AM. Any students who arrive after 8:20AM will be marked late.

Students in Grades K-2 use Exit 1 to enter the building
Students in Grades 3-5 use Exit 2 to enter the building

Please have your NYC DOE Health Screener ready at morning arrival

I appreciate your support and cooperation as we work together to keep our students learning and safe!

Stefania Cedrola-Mustafa
