October 2021

Dear P.S.108 Families,

Our P.S. 108 community is fortunate to be expanding over the next few years! The new addition will add 600 new seats and various specialty rooms and areas for students and staff to use that will enhance the educational experience. The project will tentatively begin mobilizing on October 29, 2021 and will be ready for occupancy for the September 2024 school year. In the meantime, we will have to deal with some inconveniences brought upon us by the construction. Starting Monday, November 1, 2021 we will not have access to the major part of the back of our school. The construction authority will be fencing off the yard to begin their demolition this weekend.

With that said, this will impact arrival and dismissal. We have put procedures in place to minimize disruption to our school day, but most importantly keep our students and families safe.

Effective Monday, November 1, 2021:
