Dear Parents

Summer is here! In the midst of your sun and fun, please encourage your child to read 20-30 minutes each day. Children who don't read during the summer lose up to one month of their instruction, while children who DO read come back to school ready to learn! Attached is a fun Summer Reading Program for your child to participate in. This packet has EVERYTHING you need to encourage your child to read this summer.

Keep Reading,

Summer Reading Club

The Rules

For every day that you read for 20-30 minutes, add a sticker to that date on the calendar. You may skip one day each week if you would like.

The Reason

Reading throughout the summer will keep you prepared for the new school year. Instead of losing ground and forgetting what you've learned, you'll excel.

The Reward

Follow the rules and return your calendar to me on the first day of the new school year. You'll earn a prize!
